Le275C, Le275C-DN, Le275CP, Le275CP-DN Network Cameras & Variants
Product News #10-Sec-03

Due to a manufacturer discontinuing production of its 2 megapixel sensor, Lumenera is providing notice regarding the end of life (EOL) for the Le275C, Le275CP, Le275C-DN, Le275CP-DN color network cameras, including specialized variants of these models.

| Camera Model | EOL Date |
|--------------|-------------------|
| Le275C | November 11, 2010 |
| Le275CP | November 11, 2010 |
| Le275C-DN | November 11, 2010 |
| Le275CP-DN | November 11, 2010 |

Although the sensor was actually discontinued 5 years ago, Lumenera was able to continue meeting customer demand by securing as many as possible. Unfortunately, the last batch we received was rejected as it did not meet our high quality standards. We can no longer acquire sensors and as such we are unable to provide any last time buys.
